July 12, 1993: Robert Scribner "traversed from base of Mt. Clark off trail, goat path led the whole way from crack (?) to find Amphitheater south of here" another sentence can't make out. This one is interesting. Our party (2010) read this while on top and said shoot, there must be a way then. We did find a way, but it involved a 5th class pitch up Adelaide. Goat trails for the remainder.
August 19, 1993: name starts with T, maybe Todd "Sundial, Adelaide, traversed to here"
